Brent and Brian – We are briefing Martin Hestmark, EPA Assistant Regional Administrator for Ecosystem Protection & Remediation on the Upper Animas in preparation for the meeting between EPA and the SJ County Commissions on April 23rd. Martin has asked me to schedule a meeting with the State Director for each Agency prior to April 23rd.

Can you help me out with who the State Directors for each agency are and how to go about scheduling a meeting with them? Given the short time frame – 2 weeks til the 23rd, it may be more feasible to schedule a conference call altho' at the moment, I haven't spoken with Martin about his preference for meeting. I appreciate any help you can give me getting this scheduled.

Thanks.
